suebrown@genoaschools.com

Parents and Guardians,

After course requests are completed on the computer at the high school, your child will be sent home with a print out of the courses they are requesting for next school year. Prior to course request week (Jan. 11-16) please review the 2015-2016 Course Registration Guide (available at www.genoaschools.com under the "Forms and Handbooks" link) with your child so you can help your child plan and are aware of the courses they will be enrolled in. Please remember, actual courses available next school year may be different because course offerings are based on sufficient enrollment and staffing.

After reviewing your child’s requests, please sign the form indicating your approval. If you need to change a request – please call our office or email us. Forms are due by 2/01/2015 and changes can only be accepted until that date. After this date, courses are locked in and course changes cannot be accepted.

IMPORTANT NOTES:

- If a required course has been failed, and was not completed online or via summer school, be sure to schedule that course into next school year.
- **PHYSICAL EDUCATION:** Students who participate in **TWO SEASONS** of sports, cheerleading, or marching band are eligible to use a PE Waiver. Applications may be picked up in the Guidance Office and **must be turned upon completion of the two seasons**. The TWO SEASONS must occur sometime during the student’s four years of high school, they do not need to be in one year.
- **ATHLETIC ELIGIBILITY:** Eligibility for each grading period is determined by the grades received in the preceding grading period. **Ninth grade eligibility is based on fourth quarter grades from eighth grade year.** Semester and yearly grades have no effect on eligibility. Students must have passed five “1 credit courses” with a minimum of a 1.6 GPA and NO MORE than one F (failure).

SCHEDULE PLANNER

Use the schedule charts below and on the back of this sheet to help you figure out how many classes you need to choose. **Please note listing the classes below DOES NOT mean you will get them in those exact periods, this is just an example to help you see how many classes you should take.**

If you failed required courses, please list them below and indicate the semesters in which make-up is required:

COURSE FAILED	✓ SEMESTER 1	✓ SEMESTER 2	✓ BOTH
